Shaw University Awards Day 2008
Thursday, April 17, 2008
11:00 a.m.
Progress Energy Center
Fletcher Opera Theater
Raleigh, North Carolina
Dear Members of the Shaw Family:

Glorious be this day and blessed be this celebration! Today all of Shaw University pauses and lifts up the names of those students who have excelled in the past academic year. Our outstanding scholars, scholarship recipients, and academic honorees stand today and receive the recognition that they have well and truly earned.

Most regrettably, I cannot attend this year’s event, but know that I am lifting prayers of celebration and that my absence is not a sign that this ceremony and these students are not vital to this University.

Thank you all for being here. To our honored students: thank you for continuing to exemplify the motto of this great institution – “Strides to Excellence: Only the Best.” I cannot imagine any better representatives of that ideal or this institution than you.

With prayers of celebration and hopefulness that your accomplishments grow and multiply, I am,

Most sincerely yours,

Clarence G. Newsome

Awards Day Criteria

Shaw University students are eligible for academic awards if they meet the following criteria:

- Full-time enrollment in the fall 2007 semester (at least 12 hours), and
- Cumulative grade point average of at least 3.0 at the end of the fall 2007 semester.
- Cumulative GPAs which qualify students for awards and the students’ names as listed in this program and on certificates or awards are officially verified by the Registrar’s office.
- **Gold medals** are awarded to students whose cumulative GPA is 3.75 to 4.00.
- **Silver medals** are awarded to students whose cumulative GPA is 3.50 to 3.74.
- **Bronze medals** are awarded to students whose cumulative GPA is 3.25 to 3.49.
- **Honor pins** are awarded to students whose cumulative GPA is 3.00 to 3.24.
- **Academic Achievement Certificates** are also awarded to students.
- Bachelor’s degrees with **Latin honors** are awarded to students who have earned 50 or more semester hours in residence at Shaw University, in accordance with the following scale: 3.75-4.00, *summa cum laude*; 3.50-3.74, *magna cum laude*; and 3.25-3.49, *cum laude*. Graduates will be presented with honor cords at the graduation rehearsal.

The **Alpha Chi Honor Society** is for students whose cumulative grade point average is 3.25 and above who have earned at least 60 credit hours.

The **Alpha Kappa Mu Honor Society** is for students whose cumulative grade point average is 3.50 and above who have earned at least 60 credit hours at Shaw University or 45 hours if a transfer student. (No new initiates this year.)

The **Beta Kappa Chi National Scientific Honor Society** is for outstanding students in the natural sciences. A chapter functions under the guidance of the area of mathematics and sciences. Membership is based upon scholastic achievement in the sciences.

**Presidential Scholarships** are awarded to selected traditional incoming freshmen based on their academic achievements, performance on college entrance exams, interviews, extracurricular involvement, educational goals and character. Students considered must be enrolled full-time and in good standing with the University. Students are selected by the Scholarship Committee. The scholarship is renewable for three additional years based on maintenance of cumulative grade point average and the students’ successful matriculation.

The tragedy of life doesn’t lie in not reaching your goal. The tragedy lies in having no goal to reach. It isn’t a calamity to die with dreams unfilled, but it is a calamity not to dream. It is not disgrace to reach the stars, but it is a disgrace to have no stars to reach for. Not failure, but low aim, is sin.

— Benjamin E. Mays

SERIOUS BRAIN POWER NEEDED!

The Honda Campus All-Star Challenge (HCASC) is the first-ever academic competition (quiz bowl) between students at America’s Historically Black Colleges and Universities (HBCUs). Each year, 64 schools qualify to attend the National Championship Tournament (NCT) in Orlando. See www.hcasc.org for details.

CONTACT: Dr. James McCallum, campus coordinator, 919/546-8311 or jamesm@shawu.edu

The Model African Union/United Nations programs are research based programs in which students represent one or more countries from many points of view, writing resolutions which reflect the interests of the country that student represent. Shaw U. students participate in Model African Union and United Nations competitions held across the country.

CONTACT: Dr. Lucky Imade, advisor, 919/546-8388 or limade@shawu.edu

Shaw University’s NEW Mock Trial program helps students develop critical thinking and public speaking skills, as well as a knowledge of legal practices and procedures through engaging in trial simulations in competition with teams from other institutions. You do NOT have to plan on law school to participate — everyone can benefit from the skills you gain!

CONTACT: Professor Barry Stanback, 919/546-8308 or bstanback@shawu.edu

What do these ACADEMIC COMPETITION TEAMS HAVE IN COMMON?
- You don’t have to be a straight-A student to do well in these programs.
- You don’t have to become a lawyer. A knowledge of the law and the legal process could prove invaluable for many fields. Many current T.V. personalities and public figures have a legal background.
- Learn research skills valuable to every discipline and career.
- Students become become more confident in their intellectual and academic abilities through the experiences.
- These competitions are preparation for real world competition.
- You learn discipline and goal setting and the rewards of both, sportsmanship, social skills and how to handle stress.
- Learn responsibility, interdependence, time management & teamwork.
- You can earn ACADEMIC CREDIT for these activities!
- Meet people who can influence your future!
- We’re looking for SERIOUS, SINCERE, COMMITTED students.
HAIL, Dear Old Shaw U,
Thy Sons revere thy name,
Long shall thy works be proud,
Undimmed thy fame.

Time shall thy praises sing,
Glory repay thy tears,
And loud thy praises ring,
Thru all the years.

Noble thy hallways,
Noble thy grassy plains,
Nobler the hearts of men,
Where thou dost reign.

All we who love thy name,
Stout hearts that shall not fail,
All rise and loud proclaim,
Alma Mater, Hail!

DR. MARCELLINA ULUNMA OFFOHA

Recipient of
The Prestigious Award for Excellence in Academic Service

Dr. Offoha is currently an Assistant Professor of Social Sciences (teaching Social Science courses), and the Director of Rocky Mount/Greenville CAPE, at Shaw University. She obtained her PhD degree in Sociology from Temple University, Philadelphia, PA. Dr. Offoha joined the Shaw University family in the year 1998 and she is still waxing strong in helping to propel Shaw University toward excellence.

Dr. Offoha wrote book segments on Ethnic and Cultural Diversity with other collaborating colleagues, and has a solo-authored book in process. She has presented on several topics that are related to the Social Sciences and she continues to enrich herself in the area of academia.

Dr. Offoha has a major strength of being of service to different areas of academia and to any community around her. Her teaching philosophy has helped her to excel in her assignment with working adults at the Shaw University College of Adult and Professional Education. As one of Dr. Offoha’s references stated, several years ago she helped stabilize the Rocky Mount/Greenville CAPE and brought the enrollment up more than imaginable in about one year. She did the same in Kannapolis CAPE and she continues to serve Shaw University in every capacity of academic need.

This prestigious award for excellence in Academic Service at Shaw University is hereby bestowed upon her with great honor.
Dr. Jin

Recipient of
The Prestigious Award for
Excellence in Academic Research

Dr. Jin is currently an Assistant Professor of Computer Information Science at Shaw University. She obtained her PhD degree in Computer Science from Duke University, Durham, NC. Dr. Jin joined the Shaw University family in the year 2003, bringing with her the rigor of the industry and a great commitment to academic excellence.

According to Dr. Jin's writings, she believes that effective teachers need to conduct teaching-related research on a regular basis and use the research results as grounds for continuing improvement. Her current research activities embody Refinement of Teaching Methods, Teaching Models, and Teaching Materials that would enhance teaching and learning in Computer Information Sciences.

According to one of her peers, Dr. Jin is making a noticeable impact in Teaching and Research, Grant Writing, Student Mentorship, Professional Disposition, Faculty Affairs, and the Professional Community. Her students describe her as compassionate and understanding while being academically thorough.

Her Department Chair describes her as one of the most outstanding hard workers on campus that has written grants and published papers, while teaching full course load.

She traveled to China with the Shaw University delegation in making it possible for the partnership between Shaw University and the People's Republic of China come to fruition.

Dr. Willie Catherine High

Dr. High is currently an Associate Professor of English at Shaw University. She is also a distinguished 1949 graduate of Shaw University where she double-majored in English and Social Science. She is currently in her 38th year of teaching, mentoring, and advising students at Shaw University.

According to one of her references, Dr. High exudes professionalism in all she does. She is a fine role model for the Shaw family whether faculty, students, or staff. In fact, some of the Shaw University faculty, staff, and members of the Board of Trustees are her former students and they all speak very highly of her excellence in educating the minds of young men and women – echoing her former and current students such as: Attorney Lorenzo Williams (Board member), Dr. Lucky Imade (Shaw University faculty), Dr. Elvira Williams (Shaw University Dean), Rosa Odomes and Michael Cobb (former students), Arlenes Ensley (Shaw University Sophomore), etcetera.

According to Dr. High’s writings, she sees teaching in all she does. She directed the first Reading Lab at Shaw University, to uphold high academic standards of all students needing her assistance.

Dr. High has received several prestigious awards in the academic arena, and in the community. This prestigious award for Excellence in Academic Teaching at Shaw University is also bestowed upon her with great honor.

Sometimes I ask myself if I have any other legacy to leave. Truly, my worldly possessions are few. Yet, my experiences have been rich. From them, I have distilled principles and policies in which I believe firmly, for they represent the meaning of my life's work. They are the products of much sweat and sorrow. Perhaps in them there is something of value. So, as my life draws to a close, I will pass them on to Negroes everywhere in the hope that an old woman's philosophy may give them inspiration. Here, then is my legacy.

I LEAVE YOU RESPECT FOR THE USES OF POWER.
I LEAVE YOU FAITH.
I LEAVE YOU RACIAL DIGNITY.
I LEAVE YOU A DESIRE TO LIVE HARMONIOUSLY WITH YOUR FELLOW MEN.
I LEAVE YOU FINALLY A RESPONSIBILITY TO OUR YOUNG PEOPLE.

Faith, courage, brotherhood, dignity, ambition, responsibility -- these are needed today as never before. We must cultivate them and use them as tools for our task of completing the establishment of equality for the Negro. We must sharpen these tools in the struggle that faces us and find new ways of using them. The Freedom Gates are half-ajar. We must pry them fully open.

If I have a legacy to leave my people, it is my philosophy of living and serving. As I face tomorrow, I am content, for I think I have spent my life well. I pray now that my philosophy may be helpful to those who share my vision of a world of Peace, Progress, Brotherhood, and Love.

The Honda Campus All-Star Challenge team has worked diligently this year, winning the quiz bowl tournament at the National Association of African American Honors Programs annual conference, October 31 - November 3, 2007.

Honda Campus All-Star Challenge (HCASC) is the first-ever academic competition between students at America's Historically Black Colleges and Universities (HBCUs). HCASC campus play is open to all 4-year, degree-granting HBCUs in the continental U.S. Over 50,000 students have competed in the program. Each year, 64 schools qualify to attend the National Championship Tournament (NCT). See www.hcasc.org for details.

All Shaw Bears are invited to participate in the 2008 Campus Tournament in SEPTEMBER 24-25, 2008. Don't miss "the challenge!"

Shaw’s team was well prepared, having done their homework on their assigned country, Nigeria. In fact, the team exemplified how to “play” for the other schools and got all of its resolutions passed and signed on by the other delegates representing other schools and countries.
